Dear Sir:

I am directed by President Falconer to write you in regard to one of his photographs and a cut for newspaper use which he sent to you about a year ago in connection with a meeting in Montreal in connection with Church Union. The cut is the only one we have and we are occasionally asked for both picture and cut and would appreciate it very much if you will kindly make inquiries and have them returned if at all possible.

Yours very truly,

President's Secretary.

Canadian Club,

Montreal.

My dear Mr. Birks:

Miss Cullis is an admirable lecturer and has made a splendid impression everywhere. I feel confident that she could speak on something else than Food Conservation for you at the Canadian Club. I understand that she is to speak for the Women's Canadian Clut in Montreal next Friday. Protably you would want her at the same time . I can recommend her with confidence.

With kind regards, I am,

Yours sincerely,

President.

Dear Mr. Birks:

This is to introduce to you Dr. Clarence M. Hincks Secretary of the Organising Committee of the recently established Canadian National Committee for Mental Hygiene. I have told Dr. Hincks that you would be willing to give him good advice as to persons in Montreal who would be suitable members of a local committee in connection with the national committee.

With kind regards, I am,

Yours sincerely,

President.
